Ray Paxson
Director of Field Sales, Cisco Supplier Solutions
Avnet

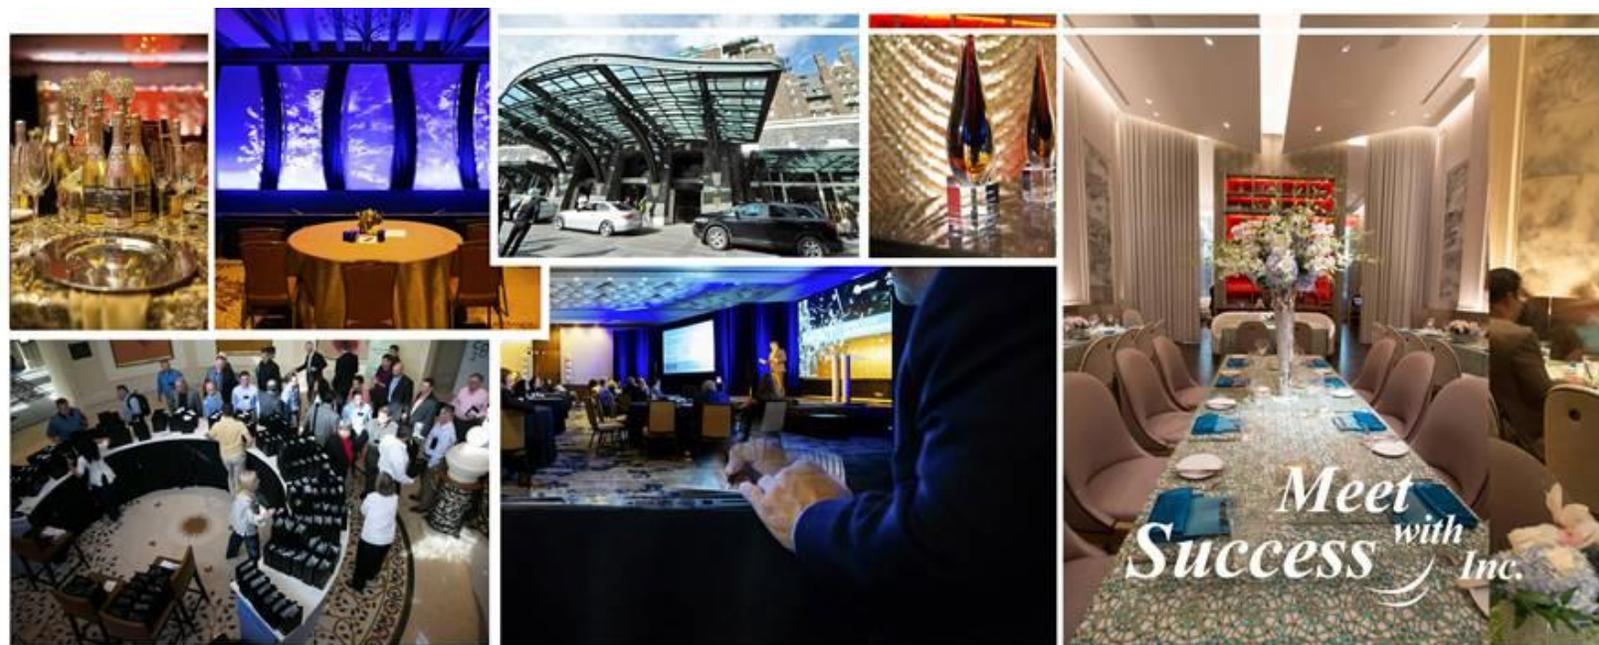

I have had the pleasure of working with Meet With Success on multiple events they have facilitated for us over the last several years. They are extremely professional, knowledgeable, and ensure that everyone in attendance has a first class experience! MWS's portfolio of services are very comprehensive to choose from. In my experience, they have worked on everything from large customer events (300+), smaller employee meetings, helped create collateral and giveaways for customer presentations, and setting up employee incentive trips in desirable locations.

No matter how big or small the task may be, Tricia and her team are detailed oriented to ensure everything goes off as planned. Everything from the room drop to the table dressings to the room layout to a customer's specific request are thought through with care. Nonetheless, unexpected issues can come up when facilitating these types of events; it is how an organization responds to remediate quickly and seamlessly to continue on as planned. MWS does just that...all with a positive attitude. Having worked with them on many occasions, the MWS group of individuals has become an extension to our teams. They are a joy to work with and would recommend their services to others!

Candice Collins
Director N America Marketing
Apple Computer

"On a fast-turnaround project, Tricia and her team quickly helped me with my marketing message, the overall campaign tool, cost estimates and a calming presence. Tricia came through with a quality product on time and on budget.

Barb Koch
Marketing Manager
Cisco Systems

"I was lucky enough to work with Meet with Success on numerous occasions and they always exceeded my expectations. Tricia and her MWS team are creative, extremely collaborative and work quickly but with a careful eye for the details. I highly recommend them."

John Neilson
Partner Distribution Account Manager - Sales
Cisco Systems

"I have worked with MWS for the past several years and I have been extremely impressed and satisfied with their staff and services. MWS has performed for us at least a dozen times and each event was executed flawlessly. We provided our needs and left the rest to MWS and they delivered what we requested, then more. MWS has many years of experience and they know how to get the biggest bang for your dollar. MWS is an expert in helping negotiate the best price with hotels and venues. One of their greatest attributes is to minimize our cost when dates had to be changed. I personally believe MWS is one of the finest event planners in the industry. I highly recommend MWS to anyone who is considering their services... They are worth every dollar."

“Meet with Success was an essential part of my “virtual team” in planning and executing an important Partner Conference. They supported all aspects with exceptional energy. Their creative ideas were invaluable to our success in this highly-visible event.”

Dan Tymann
Gordon College
Gordon College Education

Gordon College hosted a tribute to Ken Olson and held the ground breaking ceremony for the science center that will bear his name. This was also an opportunity for over 1000 former Digital Equipment Corporation employees and their families to reunite and celebrate Ken’s leadership and the culture that was so unique to DEC. This event was a tremendous success as Ken and his wife Aulikki felt truly honored and loved, the DEC family shared in a reunion with friends from all over the world and Gordon College gained new friends and supporters. This would not just get the benefit of a fine event planner, but the leadership and creativity of someone who personally owned the success of our event. This was the biggest event in our College’s history with invitations going to alumni, faculty, staff, students, friends and family of Ken Olsen, former DEC employees and industry peers. Tricia took the time to know each group attending our event and made sure that each one would have a special experience on our campus. I highly recommend Tricia and her Meet with Success, Inc. Staff for any event! I guarantee that your event will be a success!”

NMS Communications

“With a high degree of professionalism, responsiveness and reliability, Meet with Success made our most important customer-facing marketing event of the year one of our most successful events ever!”

Arrow Electronics, Inc.
Arrow Electronics Components Group
The Arrowfest Committee

“We look forward to the opportunity to once again work with “Meet with Success” in planning any future Corporate Events!” “In preparation for Arrow Boston’s 4th annual Arrowfest, the committee was in search of a fresh perspective from a professional event planner. From the introduction meeting through the close of the event, Tricia Baglio and her team exceeded our expectations in all aspects of the event, including décor, booth layout, catering, entertainment and choice of celebrity guest. Well over 1500 guests attended this very successful event. Meet with Success exhibited flexibility in tailoring the services they provided to fit our budget while always maintaining a focus on Arrow’s best interest. They caught the eye of Arrow Electronics Corporate Events Team which created an opportunity for “Meet with Success” to pursue Arrowfest on a national level in all 10 cities.”
